# REVO

## A task luminaire that's easy on your eyes

The Revo direct/indirect pendant offers a fresh interpretation of a classic shape, both attractive and functional. Just 2 3/8" in diameter, Revo delivers precise and well shielded illumination to task surfaces, such as counters, desks and conference tables. Miniature, low brightness reflectors and onboard **MikroDrive™** electronics achieve Revo's small scale. Revo can be used as an individual luminaire or combined into continuous runs. The Miniature Reflector Optic, developed specifically for the Revo pendant, creates intriguing visual texture as well as very comfortable brightness.
